

OBAP LOUISVILLE ADVANCED ACE ACADEMY 2023

DATE: JULY 17TH – 21ST

Proudly Supported by

U.S. AIR FORCE

About the OBAP Louisville Advanced ACE Academy

The Organization of Black Aerospace Professionals ACE Academy is a nationally recognized program co-sponsored by the Federal Aviation Administration. (FAA) and the National Black Coalition of Federal Aviation Employees (NBCFAE).

Overview

The goal of the Louisville Advanced ACE Academy program is to provide high school-aged students more hands-on flying opportunities. It is also designed to help students understand the importance of education and how it relates to various aerospace careers. Students will also experience the joy of flight by flying in the left seat of an aircraft. Additionally, students will meet aerospace professionals and participate in field trips to a variety of aviation facilities and educational institutions.

Activities

As a member of Louisville Advanced ACE Academy, you will:

- Take an orientation flight in a Cessna or Piper aircraft
- Receive introductory aviation education
- Learn the qualities of leadership
- Meet professionals from the aerospace community
- Operate unmanned aerial systems and remote-control vehicles, when available

Admission Requirements

Admission is offered to students from 14-17 years old who have an interest in learning about the aerospace industry. Students must be physically capable of participating in all activities.

- High standards of behavior and self-discipline are expected, and students must abide by all academy regulations.
- Parents/Guardians and students must attend an orientation before programs begin.

Location

Flight Club 502
2911 Taylorsville Rd
Louisville KY 40205
